

# The European NETWORK for HYperkinetic DISorders (EUNETHYDIS)

EUNETHYDIS is a unique opportunity to network with top-class researchers in the field of ADHD and related disorders and to foster the career development of early career investigators.

## EUNETHYDIS Webinar Series

Eunethydis Steering Committee would like to invite you to attend the network's new webinar series, starting in September 2021. The seminars cover the Special Interest Groups' (SIGs) activities, and the research of new members. All webinars (including SIGs) are open to all Eunethydis members. Please find the date and time of each webinar underneath, and the detailed introduction and registration link can be found on Eunethydis website soon (<https://eunethydis.eu/>). Please also check out our Twitter account (@eunethydis) for the recent event updates.
